Please Visit Our Concession Stand!

Every dollar raised at the concession stand goes right back into youth sports here at Desert Grace ... registration fees do not cover the entire cost of operating the league. Additionally, funds are used for equipment, field improvements, advertising, and player scholarships.

You help when you purchase items ... and you can help by donating items to be sold or helping operate the stand. Visit and ask how you can get involved!

Second team listed is always HOME and wears the DARK BLUE side showing.

Be a good sport:

**Volunteer for a halftime
 activity when the halftime
 crew asks you to!**

DesertGrace.org

IMPORTANT REMINDERS:

- When driving on the Desert Grace Church campus, please use extra caution – drive slowly and watch for pedestrians. Much like a grocery store parking lot, expect that there will be doors opening and children darting out around cars. Pedestrians should also be alert to traffic and children should be properly supervised.
- ***The parking/drive immediately north of the fields (covered parking) will be closed.*** Please park in either the east or west parking lots in a marked stall. The dirt areas adjacent to North Frontage Road are designated as “No Parking” by Yuma County and anyone parked in those areas may be ticketed by the Yuma County Sheriff’s Office.
- Be sure to arrive at least 10 minutes early to meet with your team and coach to get warmed up for the game (your coach may ask you to come even earlier). The times on the schedule are for the start time for each game. Your assistance in this helps us to keep our games on schedule and assures that all players will be announced at the start of the game. *League officials may start game clocks on time even if the game cannot start due to missing players*
- Games will last about an hour, with specific times/rules for each division. The calls made by game officials are considered final, and coaches, players, and spectators are reminded to be encouraging regardless of their own opinion of a particular call. Feedback after games or between periods is welcome.
- The church playground is open for use during games, but please supervise children. The church cannot accept responsibility for injuries due to improper use of the equipment.
- Parents, friends, and guests are welcome and will want to bring their own chairs, as we do not have bleachers. Shade tents are allowed but should be secured for safety using stakes (in grass) or gallon-jugs. Church representatives may ask you to remove unsafe structures.
- Restrooms are available in the Worship Center Building.

ARE YOU LOOKING FOR A CHURCH HOME?

Desert Grace Community Church of the Nazarene is proud to host Upward Sports Leagues here in the Foothills, and we’d be proud to host you for a Sunday Worship Service. We meet at 10:30am each Sunday for worship together, as well as having many other activities each week. We hope to see you there! If we’re not a good fit for you, we’d love to help you find the right church.
