

We're Excited to Welcome YOU to Worship In-Person with Us!

BEFORE YOU ARRIVE:

- **PERFORM A SELF-SCREENING FOR ILLNESS.** Do not enter the building if you are feeling ill. How will you answer this question: "Have you or anyone else in your household come in contact with anyone who has been showing flu-like symptoms in the past 14 days?" If the answer is "yes," please worship with us online until it can be "no."
- **COME A LITTLE EARLY.** Arriving early helps us to ensure that there is no gathering at the entry door making proper distancing difficult, and also helps us to ensure we are maximizing the limited space inside the Sanctuary for the safety of all of our friends and family.
- **BRING YOUR OWN REFRESHMENTS.** If you need coffee and a snack, please bring your own.
- **USE THE RESTROOM.** Truth is that this room is the most likely room for you to catch any illness. We're asking all of our attendees to use the restroom only if it is an emergency/urgent.

WHEN YOU ARRIVE:

- **PLEASE STAY WITH YOUR FAMILY/GROUP.** Enter together, take your seats together, and please remain in your seat for the duration of the service. The idea is to stay together to protect one another. (We will not shake hands or hug or have more than a "wave" greeting time.)
- **PLEASE USE HAND SANITIZER AS YOU ENTER.** Take advantage of the touchless sanitizer stations.
- **THE FRONT DOORS ARE FOR ENTRY ONLY.** If for any reason you must leave while people are arriving, exit through the east-side door and return through the main entry (one-way traffic).
- **MASKS ARE RECOMMENDED.**
- **OFFERINGS ARE RECEIVED ONLINE, VIA MAIL, OR DROPPED OFF AS YOU ENTER OR EXIT.** We will not have a moment of passing the plate.

AFTER WORSHIP:

- **PLEASE EXIT AS A FAMILY, FOLLOWING THE INSTRUCTIONS OF THE LEADERSHIP.** Sections may be released one by one, and may exit out the main doors. If you must re-enter, either use the east-side door or wait until after the exiting process is complete. Please do not linger in the entryway.
- **PLEASE USE HAND SANITIZER AS YOU EXIT.** Take advantage of the touchless sanitizer stations.
- **WASH YOUR HANDS ONCE YOU ARRIVE HOME.** Good hygiene is your very best defense against disease.

A FINAL NOTE:

Joining in-person worship is a personal choice, and Desert Grace respects and honors whatever choice each individual/family makes for their best interests. Please do not look down on others for making their choice to attend in person or online, to wear a mask or not wear one, etc. Thanks!
